## HEALTH & SAFETY POLICY STATEMENT

Patrick Bradley Ltd strives to provide safe and healthy working conditions for employees and not adversely affect the health and safety of anyone else (e.g. Members of the public).

The company therefore operates a management system that meets the requirements of OHSAS 18001:2007 as well as other standards for quality and environmental impact and complies with The Health and Safety at Work Order (NI) 1978 and all other subordinate legislation. The management system is documented so that it can be interpreted consistently, readily communicated, audited and reviewed. Monitored objectives and targets ensure continuous improvement.

Patrick Bradley Ltd shall ensure as far as is reasonably practical that:

- The provision and maintenance of plant machinery and systems of work are safe and without risks to health.
- Arrangements and information available for use, handling, storage and transport of articles and substances for use at work are safe and without risks to health.
- Employees are provided with information, instruction, training and supervision to secure their (and others) health and safety.
- Adequate provisions are made with regard to personal protective equipment and arrangements for the welfare at work of all employees.
- Employees are aware of their duty and their forum (via line management and representative meetings), for bringing to the attention of the Company any matter relating to the Health and Safety of themselves or others.
- The Health and Safety Policy shall be monitored and reviewed in the light of past performances and current compliances.
- New employees are made fully aware of this policy at the onset and receive sufficient supervision until competent.
- Sub-Contractors will be instructed, monitored and assessed as to their compliance with this policy.

To ensure that the Health and Safety Policy of Patrick Bradley Ltd is fully understood and implemented the Managing Director has undertaken ultimate responsibility for the implementation and working of this policy.
